

## Gases and Their Tests

### Carbon Dioxide

- 1) Description
- 2) How did you make it?

**BCE:**

---

- 3) How did you test for it? Describe the test.

### Oxygen

- 1) Description
- 2) How did you make it?

**BCE:**

---

- 3) How did you test for it? Describe the test.

## Hydrogen

- 1) Description
- 2) How did you make it?

**BCE:**

---

- 3) How did you test for it? Describe the test.
